

WAYAHUDI TUJENGANE

Company Profile

Empowering growth,
Delivering excellence.

COMPANY OVERVIEW

Wayahudi was established in 2024 as a savings and investment group where we pooled our funds & expertise together to offer various service under one company.

Wayahudi is a dynamic and community-driven organization founded on the principles of financial empowerment, economic advancement, and professional service delivery.

As a self-help group, we operate a merry-go-round savings system that fosters financial discipline, mutual support, and long-term wealth creation. A portion of our pooled funds is allocated to a dedicated savings fund, ensuring stability and future investment opportunities for our members.

Beyond our financial initiatives, Wayahudi has evolved into a multi-service brand, offering a wide range of professional solutions tailored to meet various business and personal needs. Our expertise spans across multiple industries, ensuring quality, reliability, and client satisfaction.

Our Vision

To build a thriving community of financially independent individuals united by investments, savings and mutual support.

Our Mission

To create opportunities for members to achieve lasting financial security through disciplined savings, investment and mutual support.

Our Philosophy

Our Core Values :

Integrity : Uphold honesty and transparency in all our dealings.

Excellence : Striving for the highest standards in service delivery.

Innovation : Continuously improving and adaptation to meet evolving needs.

Community Empowerment : Strengthening economic opportunities for our members and clients.

Why Choose Us :

- A dedicated team with diverse expertise.
- A strong financial foundation through our savings and merry-go round system.
- A commitment to quality, professionalism and customer satisfaction.
- Competitive pricing with excellent service delivery.
